We have been serving families for over 40 years. The Centre was incorporated on May 17, 1974 as a Non-profit Society with a charitable status. The Centre serves families from the University as well as the Community at large.

Programs

Our programs are all-inclusive. We offer high quality child care as well as an in-house kindergarten program that is approved by Alberta Learning. Our centre has four playrooms, a gym and an adjacent outdoor playground.

We observe and acknowledge the individuality and uniqueness of each child within our group settings. We have a warm, accepting and nurturing atmosphere, essential to a quality child care and kindergarten program - a safe place where children can test and build their strengths through interaction with peers and empathetic, caring adults.

Our programming is a blend of Emerging Curriculum and Learning Through Play philosophies, which are centered on the developmental stages and interests of the children. We have regular field-trips on and off campus. We believe that spending time outside is very important, therefore, we try to get outside at least once a day, weather permitting.

Staff

Our staff are qualified in the field of Early Childhood Education. We far exceed the Certification standards set out by the Provincial Government's Day Care Staff Qualifications Program.

Guidance

Our guidance policy is consistent with our philosophy. Here at the Centre we discipline through “preventive discipline”. This means that when children are occupied, involved and enjoy and trust the adults in the Centre, disciplinary measures are at a minimum. Should a child’s behaviour become disruptive, infringe on the rights of others we follow positive steps to redirect the child.

Parent Involvement

We are a family-oriented Centre. Our open-door policy encourages parents to become involved in their child’s day, progress and to feel comfortable in mutual discussions with the Centre staff. We host throughout the year, a number of family-oriented activities such as muffin mornings, a fall supper, etc.

Meals

The children receive daily; two snacks and a lunch prepared by our cook.
